

## Thank you

CARMEN-MIRELA BUTACIU

We want to thank you for being a part of Cambridge Assessment English and for supporting your students in growing their skills to the world.

Without you, we couldn't do what we do.

For us, learning English is more than just exams and grades. It's about having the confidence to communicate and access a lifetime of enriching experiences and opportunities. The work you do supports learners to achieve this.

As teachers, you help learners to reach their true potential and support them in becoming global citizens. Language is at the heart of this, as it allows us to communicate with one another. With your help, your students have achieved a new certificate. And that certificate and the skills they have learned, has set them in motion on their language learning journey.

We recognise the time you put in and want to thank you for your hard work in preparing your students to reach their full potential in their examinations and beyond.

Thank you.
